I found the wind had erased them.

LIFE
AT
GOULD

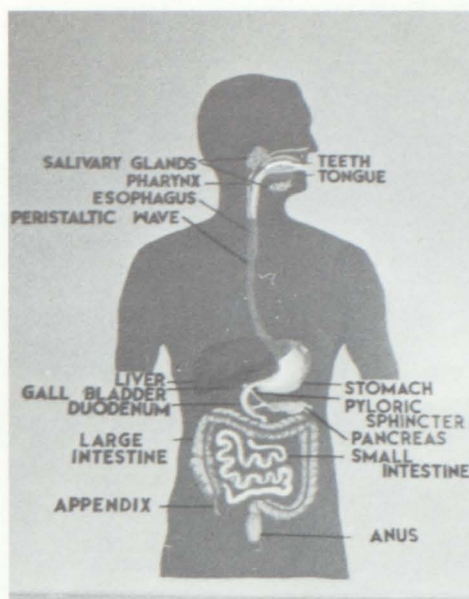

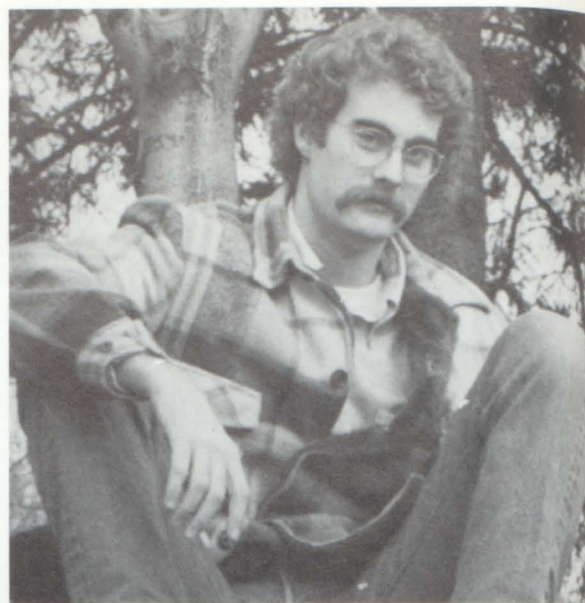

Ahoy there!

Hi down there!

I'm in the mood for love

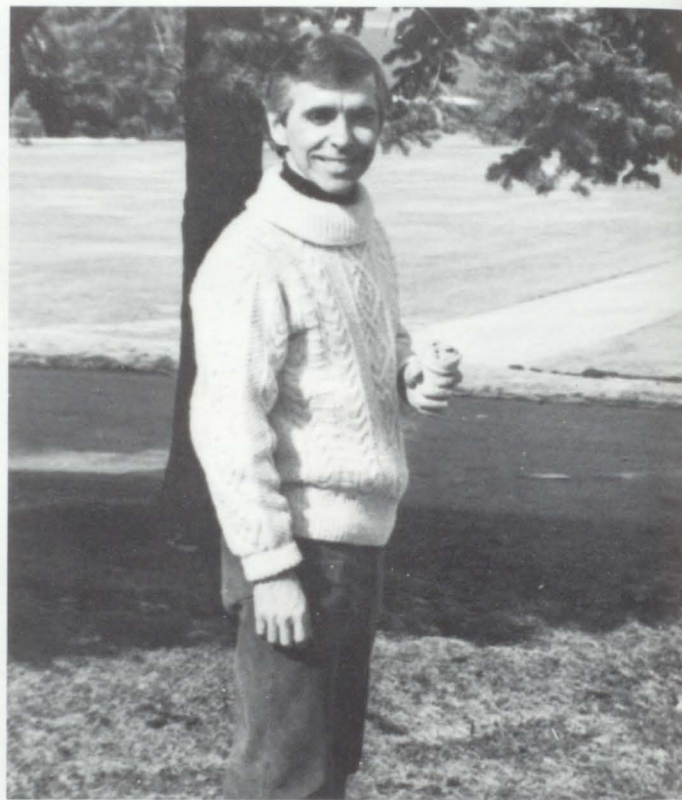

Put it there pal!

We're
cool!

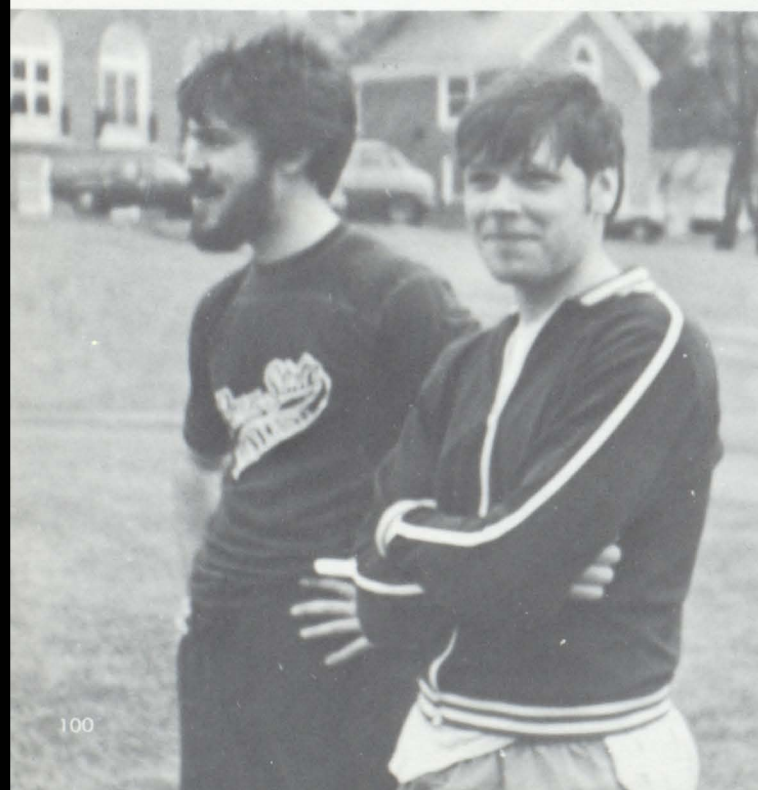

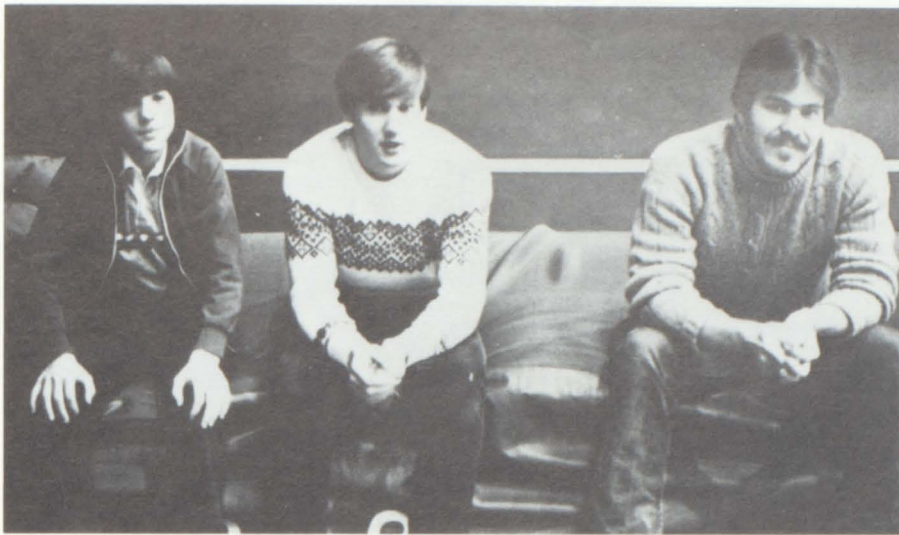

You left so fast
And now I'm blue
When my hickey was gone
So were you

Hi cutie!

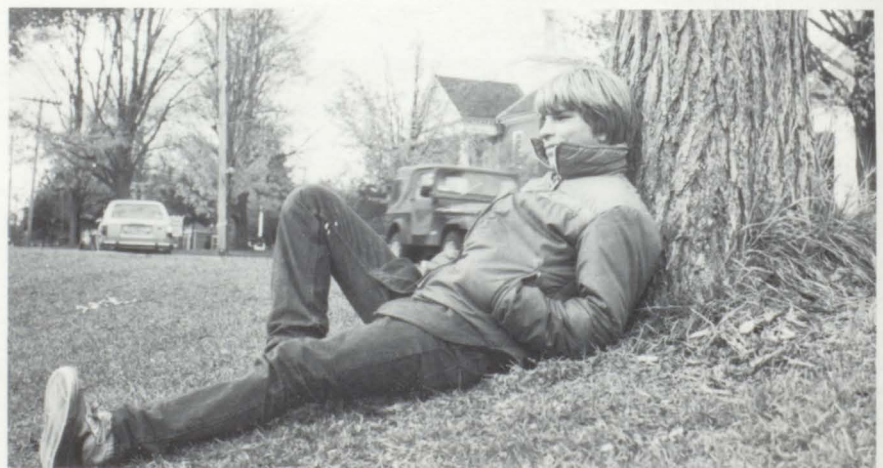

We Davidson Girls

I remember now . . . It's 9:30pm — STUDY HALL'S OVER!!! While Proctor Anne is running up and down the halls trying to calm everyone, Patty peeps out of her room with a green mask on her face . . . HIHI HOOHOO HAHAAAAAAAAHA, Jenal is laughing at her hysterically. Within two seconds, Tajuana is in the room joking with Jenal. The door then opens and in pops Nathalie who was about to take her "douche" (shower in French) but lost her towel on the way. "wazz sso funnie??" she asks. Ohoh, Stephanie walks in upset by the noise. "Have some consideration for the other people in this dorm, will you?" and walks away. That's it, the war is on . . . Michele and Gina slam the closet doors and start to scream. Meanwhile, in the suite at the end of the hall, Brooke and Lydia attempt frustratedly to study while Holly decides to blowdry her hair and Jenny patches up people's jeans. Liz creeps up the stairs to eventually try and make it up before bedcheck. She has come from Kathi's suite where popcorn is popping and Polly, Pam and Susie congregate in the suiteroom to listen to Beatles' songs. In the next suite, Sarah is bopping around in her cute pajamas laughing hysterically at Eleanor and Tracy who are doing "silly" things. Next door, DISTURBING SILENCE — Beth is absorbed in a magazine while Lisa seems to be quiet but no one really knows and Maureen has a devious grin on her face. What have they been up to??? All of a sudden, Vanese pops her head out and complains that she has lost her money in the coke machine and that her coke is flat. Bang Bang!!! It seems that upstairs they've decided to dance to the music of a Chorus Line. Mrs. Dohrmann comes up, time for bed check. Where is everyone?? In the bathroom as usual. "to bed, now!!!" and after a few pouts, we all eventually go and lights are out . . . But are they really because, after all, "While the cat's away, the mice shall play."
